++ Valid for broadcast between 1800 and 0600

Headline:
Becoming cloudy and misty overnight, brightening up on Sunday afternoon.

This Evening and Tonight:
After some evening sunshine, mist and low cloud will spread westward across all parts during the evening, perhaps bringing a little drizzle by Sunday morning. Minimum temperature 12 deg C (54 deg F).

Sunday:
After a cloudy start with some rain or drizzle, it should slowly brighten up in the afternoon with some sunny intervals. However cloud may persist towards the east coast. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Rather cloudy with some rain at times, especially on Monday and Tuesday, with the odd heavier burst possible. Some warmer, brighter spells, especially inland, but cooler along coasts.
